### **Intro Page**

This is the landing page. From this page you can access the login or sign up pages by clicking the buttons.

# **Register Page**

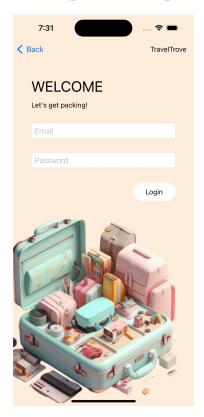

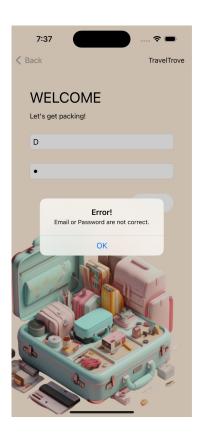

Register page allows the user to fill in the following fields to create an account. It gives a warning if fields are empty, an email is incorrect, or the password isn't 6 characters or longer. In addition a user has the option to add a photo from the gallery or camera.

# **Login Page**

You can login by entering an email and password. If the password and/or email is wrong, you will get an alert. The same will happen if any of the fields are empty.

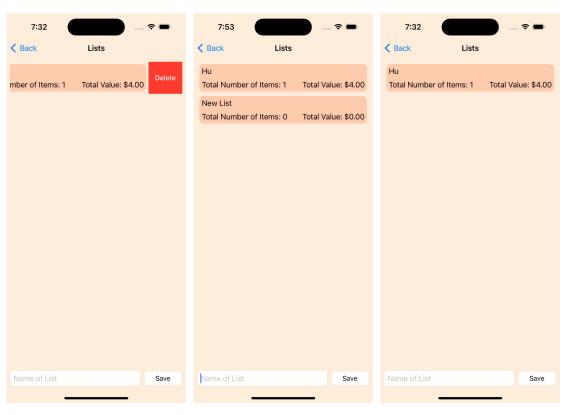

# **Landing Page**

This is the page that you will see when your login is successful.

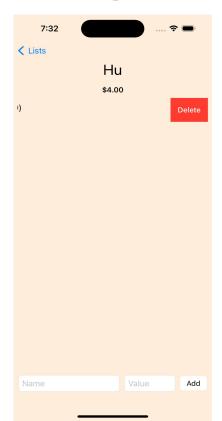

- If you click on the Lists icon (on the bottom left), you will go the lists page
- If you click on the Home Icon, you will remain on this page
- If you click on the Documents Icon, you will go to the Important Documents page
- If you click on the Log Out button you will be popped back to either the register or login page

# **Lists Page**

Lists has the option to save a list with a new name. This list shows the total items in the list and the value. A new list has a total items 0 and a value of \$0.00. In addition by swiping left, you can delete a list.

# **Editing List Page**

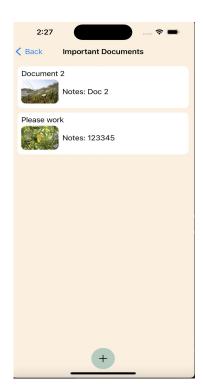

- To add a new item to the list, fill out the form on the bottom of the page then click Add
- To delete an item, drag the item to the left and click the red delete button
- To check an item, click on the right hand side of the item

#### **Important Docs**

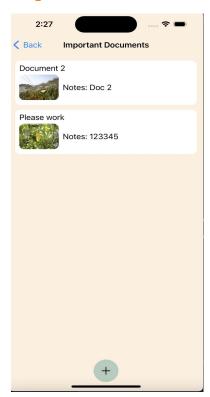

- To add a new document, click the green plus sign icon and it will take you to the Add a New Document page
- Fill out the fields and add a new photo then click Done
  - Note: If you leave any fields blank and/or do not add an image you will receive an alert
- The New document will appear on the Important Documents Page

### **Important Docs - Images**

- If you click on a document you will see all the images in it and be able to add a new image document
- To Add a new Image click the Add A Photo button
